The screenshot displays the Visual Studio Code interface with the file `w03_94.md` open. The file contains three tasks, each with a description and a command to run in the terminal:

```
1 ### w03-P1 : Display the image of the first blog with Chrome DevTools

5 ### w03-P2 : Display second blog using Chrome DevTools
6
7 
8
9 ### w03-P3 : W3 all log

The terminal window shows the execution of these tasks, with the following output:
